Online meetings for Topic Specific Recommendation Development

Thursday 29	13:00 First of two days of online parallel meetings for the 9 Topics covered by the workshop. Each Topic area will meet on each day for 2hrs, with Topic Chairs and Rapporteurs acting as meeting facilitators, with the goal of drafting and discussing issues and recommendations on requirements for measurements and metrology for each Topic. An initial list of issues and potential recommendations will be drafted by Topic Chairs and posted on the website on 19 September (accessible via the 'Participant Access' Link).	15:00
